Yes, exactly so, the summer metal festival **MetalGate Czech Death Fest 2011** has now its **complete dramaturgy**. First of all, it is with great joy that we can announce the **Saturday headliner**, the one and only **Dutch death metal icon PESTILENCE**, established in 1986, which will present at this gig its current album “Resurrection Macabre”!

The post of the **Friday festival headliner** shall belong to yet another big name of the global metal, to the iconic **Greek black metal phalanx ROTTING CHRIST**, which is active on the worldwide metal scene for over 20 years now and thus, belongs to one of the longest playing acts in this dark sub-genre of metal music, and whose performance shall be devoted to the current album “Aealo”.

This main tandem shall further be augmented by a **special guest of the domestic metal scene**, the resurrected death metal squad **HYPNOS**, coming to us with their current album “Halfway to Hell”.

Two more foreign guests shall also be present, the **German black metal heretics ABSTINENZ** with their fire show, and the **Slovakian death metal devastators DEMENTOR**.

The rest of the festival bill shall belong to a **unique selection of the Czech metal bands**. The roster includes both representatives of death metal and grindcore, as well bands presenting other metal styles. Specifically, you can look forward to:
